

# Make your first ingredient the best.

True Salt® is an all natural, unrefined, and unprocessed SEA SALT, sustainably harvested for generations from the Sea of Cortez.

We founded the company based on the simple principles of a commitment to quality and flavor, and to keeping things true.

Now, top chefs around the country prefer to use True Salt throughout the cooking process and switching to True Salt is an easy way to add a clean, better salt to your dishes and menu.
